

SEC. 7. *And be it further enacted*, That all matters committed by this Act to the discretion of the Board of Public Works shall be determined by a majority of said Board.

SEC. 8. *And be it further enacted*, That this Act shall take effect ~~July~~ JUNE 1, 1969.

Approved May 2, 1969.

CHAPTER 421

(Senate Bill 670)

AN ACT to add 14 new sections to Article 56 of the Annotated Code of Maryland (1968 Replacement Volume), title "Licenses," to be known as Sections 157A to 157N, inclusive, and to be under the new subtitle "Motor Fuel Inspection Law," establishing a program and facilities for the inspection of motor fuel in this State; relating to analysis of the quality of such fuels; establishing standards for motor fuels and for the dispensing pumps and other storage and dispensing facilities; regulating the sale, advertising, and dispensing of motor fuels; providing for the enforcement of the Act; and relating generally to the inspection, dispensing, storage, and use of motor fuels in this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That new Sections 157A to 157N be added to Article 56 of the Annotated Code of Maryland (1968 Replacement Volume), title "Licenses," to follow immediately after Section 157 of Article 56 thereof, to be under the new subtitle "Motor Fuel Inspection Law," and to read as follows:

Motor Fuel Inspection Law

157A. Definitions.

The definitions set forth in Section 135 of this Article shall be applicable to this subtitle. In addition, the following words, terms or phrases are, for purposes hereof, defined as follows:

(1) *The word "gasoline" as used in this law shall embrace and include gasoline, benzol, benzine, naphtha and any other liquid prepared, advertised, offered for sale, sold for use as, or used for, the generation or power for the propulsion of motor vehicles including any product obtained by blending together any one or more products of petroleum with or without other products, if the resultant product is capable of the same use.*

(2) *The words "special fuels" shall embrace and include diesel oils, kerosene, and heating oils or liquids used in diesel engines or in internal combustion engines for the propulsion of motor vehicles, including any product obtained by blending together any one or more products of petroleum with or without other products, if the resultant product is capable of the same use.*

(3) *"JOBBER"—SHALL MEAN AND INCLUDE ANY PERSON, FIRM OR CORPORATION WHO BUYS MOTOR VEHICLE*
